Hello families, and welcome to a new school year at Greenburgh Academy! This year, we are excited to expand opportunities for family involvement in a variety of ways. The best way to get started is to join our school's Parent Teacher Organization (PTO). Our mission is to enrich the lives of our students by strengthening the home/school partnership. We feel that your voice is imperative to the success of your children...so please, let's work together.

Being a member of the PTO will allow us to communicate directly with you about school events, activities, sports, academics, celebrations, holidays, and everything in between. We want our families to know exactly what's happening at Greenburgh Academy, and believe "it takes a village" to promote the social, emotional, and academic success of our kids.

Do you have a way to support our program? Great, let's hear it! Do you want to become more active at your child's school? Wonderful, please do! Do you want to join our monthly PTO meetings? Fantastic, you're invited! Our next meeting will be on Friday, October 26th @ 10:00.

If you have any questions, please call the school at (914) 476-1938. You can ask for Mr. Gualtiere (dgualtiere@gncufsd.org), Mr. Capers (tcapers@gncufsd.org), Ms. Ortiz (eortiz@gncufsd.org), or Ms. Nagorny (tnagorny@gncufsd.org).

"The Greenburgh Academy Parent Teacher Organization strives to support the faculty and staff of Greenburgh Academy, as they look to provide families and students with a dynamic community of learners – a community that looks to address the basic health and safety needs of each child, while also creating an engaging, supportive, and challenging instructional environment – one that will allow each student to successfully transition to college and/or the world of work."
